¹ Includes 10 malariologists, 9 survey, and 13 control units which were transferred from the South Pacific to the Southwest Pacific when theater boundaries were redefined in July 1944.

² Units were allotted when the theater was separated from India-Burma.

³ Five control and five survey units were deactivated and disbanded in the theater in December 1944.

⁴ These units accompanied the Seventh U. S. Army in the invasion of southern France and subsequently came under the jurisdiction of the European theater.
